► This retracts the article “Two Cases of Herpes Gladiatorum Identified in a Korean Middle-School Wrestling Team: A Case Report” in volume 38, number 36, e288.

The above article has been retracted by the journal’s editor-in-chief. The authors submitted a letter to the editor requesting the retraction of their article because of mutual misunderstandings between the patients and the authors in the publication agreement. The *JKMS* Ethics Committee discussed this issue and all members agreed with the retraction.
