In this article, the ethical statement was omitted unintentionally. The ethical statement should be added as follows:

### Ethical statement

IRB approval was exempted according to the “Enforcement rule of bioethics and safety act” available from: <http://www.law.go.kr/LSW/lsInfoP.do?lsiSeq=184877#0000>. National authorized statistical number of Korean Government was 117058 (2005.09.30). Subjects who agreed in participation were included for the survey.
