After publication of the article, we found that an in-text citation of supplementary data is missing. The correct sentence is as follows, with changes in bold font:

On page 537, a paragraph of “Translation” in Materials and Methods section

To translate the CRSR into K-CRSR, a Korean rehabilitation physician who was an expert in English was engaged with permission from Giacino, the author of the CRSR from Harvard Medical School. A draft of the K-CRSR was then back-translated into English and verified by the author. After appropriate modifications, the final form of the K-CRSR was administered to patients (**Supplement A**).
