

## Notice of Redundant Publication

---

The article “Small Cell Carcinoma of the Urinary Bladder: CT and MR Imaging Findings” by Jong Chul Kim, Kie Hwan Kim, and Seungeun Jung, published in *Korean Journal of Radiology* (2003;4:130-135) is for the most part identical to an article by Jong Chul Kim, entitled “CT

features of bladder small cell carcinoma” published in *Clinical Imaging* (2004;28:201-205). The corresponding author (JC Kim) has been contacted and has agreed that the two studies are the same.
