

## Notice of Redundant Publication

---

The article “Metabolic Alterations in Parkinson’s Disease after Thalamotomy, as Revealed by  $^1\text{H}$  MR Spectroscopy” by Hyun-Man Baik, Bo-Young Choe, Hyoung-Koo Lee, Tae-Suk Suh, Byung-Chul Son, Jae-Mun Lee, published in *Korean Journal of Radiology*(2002; 3:180-188) is for the most part identical to an article by Hyun-Man Baik,

entitled “Proton MR spectroscopic changes in Parkinson’s diseases after thalamotomy” published in *European Journal of Radiology* (2003;47:179-187). The corresponding author (BY Choe) has been contacted and has agreed that the two studies are the same.
