Healthc Inform Res 2023;29(3):246-55

The authors regret that the Acknowledgments have missing information. The correct funding statement in the ACKNOWLEDGEMENT section is given below:

This study was supported by the Bio-Industrial Technology Development Program (No. 20014841), funded by the Ministry of Trade, Industry & Energy (MOTIE, South Korea). We would like to thank the MCU (Medical informatics Collaborative Unit) members of Yonsei University College of Medicine for their assistance in data analysis. This study was also supported by a grant from the Korea Institute of Drug Safety and Risk Management in 2021.

The authors would like to apologize for any inconvenience caused.
