Dear Editor,

I am very sorry to inform you that we made a mistake in description of the *SLC12A3* mutation in the recently published article as above described. I am kindly asking to change the *SLC12A3* mutation of patient 10 and 11 in Table 3 from the wrong c.1174A > C, p.T386P into c.1174A > C, p.T392P.

Change of *SLC12A3* mutation of patient 10 and 11 in Table 3:

Old description of mutation: c.1174A > C, p.T386P

New description of mutation: c.1174A > C, p.T392P

Thank you very much for your times and efforts in advance.

Sincerely yours,
