

OFFICIAL LIST OF FIRST ONE HUNDRED ARTICLES FROM  
THE RESEARCH DEPARTMENT, SEVERANCE UNION  
MEDICAL COLLEGE, SEOUL, KOREA (CHOSEN)  
( 1915-1932 )

by

RESEARCH COMMITTEE:

Dr. A. I. LUDLOW (*Director*)

Dr. N. FOUND (*Secretary*)

Dr. I. S. YUN

Dr. M. H. CHOI

1. A Simple Method of Water Purification for Itiner-  
ation and Household Use ; also Aims and Special  
Purpose of the Research Department. Feb. 1915.  
More Detailed Article.  
(China Med. Journ., Vol. XXXII, No. 3, p. 137,  
March 1918.)  
R. G. Mills  
A. I. Ludlow  
J.D. Van Buskirk
2. Disinfection of Fresh Fruit.  
(Local Publication.)  
R. G. Mills
3. Abscess of the Liver.  
(China Med. Journ., Vol. XXXI, No. 5, p. 207,  
May 1917.)  
A. I. Ludlow
4. A Case of Fatal Poisoning by Oil of Chenopodium.  
(China Med. Journ., Vol. XXXI, No. 11, p. 485,  
Nov. 1917.)  
J. W. Hirst  
R. G. Mills
5. An Unusual Case of Multiple Carcinoma.  
(China Med. Journ., Vol. XXXIII, No. 3, p. 112,  
March 1919.)  
R. G. Mills
6. Surgical Case Reports—  
1. Papillary Adenoma of the Jejunum, Intussusception.  
2. Tuberculosis of the Cecum ; Resection, Anatomosis.  
(China Med. Journ., Vol. XXXII, No. 9, p. 425,  
Sept. 1918.)  
A. I. Ludlow
7. Ecological Studies in the Tong Nai River Basin  
of Northern Korea.  
(Trans. Korean Branch of the Royal Asiatic Soc.  
Seoul, Korea ; Vol. XXII, 1921.)  
R. G. Mills
8. General Index : Japanese Medical Literature.  
(China Med. Journ., 1916-1921.)  
R. G. Mills

9. A Brief Report on Pandemic Influenza in Korea  
with Special Reference to its Etiology. F. W. Schofield.  
(China Med. Journ., Vol. XXXIII, No. 5, p. 203, H. C. Cynn.  
May 1919.)
10. What and How Much shall the Student Eat? J.D. Van Buskirk  
(Korea Mission Field, 1919.)
11. The Cost of Enough to Eat. J.D. Van Buskirk  
(Korea Mission Field, 1919.)
12. Surgical Case Reports— A. I. Ludlow
  3. Multiple Enchondromata of the Extremities.  
(China M.J., Vol. XXXIII, No. 7, p. 323, July 1919.)
  4. Implantation of the Ureters into the Rectum.
  5. Obturator Dislocation of the Head of the Femur  
Reduction Nine Months after Injury.  
(China M.J., Vol. XXXIII, No. 5, p. 236, May 1919.)
13. Korean Child Mortality. J.D. Van Buskirk  
Trans. of the 6th. Congress of the Far Eastern R. G. Mills  
Assoc. of Tropical Medicine Tokio, Japan, 1925.)
14. Studies in the Diet of the Korean People. J.D. Van Buskirk  
(China Med. Jour., Vol. XXXV, p. 305, 1921.  
Vol. XXXVI, p. 136, 1922.)
15. The Climate of Korea and its Probable Effects  
on Human Efficiency. J.D. Van Buskirk  
(Trans. Korean Branch of the Royal Asiatic Soc.,  
Vol. X, 1919.)
16. Surgical Case Reports—
  6. Exstrophy of the Bladder: Implantation of  
the Ureters into the Rectum.  
(China Med. Journ., Vol. XXXIV, No. 5, p. 262,  
May 1920.)
  - 7, 8, 9, 10. Four Cases of Thrombo-angiitis  
Obliterans. A. I. Ludlow  
(China Med. Journ., Vol. XXXIV, No. 1, p. 18,  
Jan. 1920.)
  11. Dislocation of Ankle with Fracture of Fibula.  
(China Med. Journ., Vol. XXXIV, No. 5, p. 509,  
Sept. 1920.)
17. Mercurochrome in the Treatment of Chronic  
Malaria. D. B. Avison  
(China Med. Journ., Vol. XXXIX, No. 5, p. 419, Byron Koo  
May 1925.)
18. Abscess of the Liver (Supplementary Report). A. I. Ludlow  
(China Med. Journ., Vol. XXXIV, No. 5, p. 258,  
May 1920.)

19. Catheterization Paper (Chicago).  
(China Med. Journ., Vol. XXXV, p. 217, 1921.) R. G. Mills
20. A Study of Post-operative Catheterization in Korea.  
(China Med. Journ., Vol. XXXIV, May 1920.) R. G. Mills
21. Catheterization. (Johns Hopkins).  
(China Med. Journ.) R. G. Mills
22. Studies on the Cortex of the Supra-renals.  
(Published in Japanese.) Tokumitsu
23. Operation for Cirrhosis of the Liver.  
(China Med. Journ., Vol. XXXVI, No. 5, p. 200, May 1922.) A. I. Ludlow
24. Health of the Missionaries in Korea.  
(Korea Mission Field, Seoul, Vol. XVIII, Aug. 1922.) J.D. Van Buskirk  
F. M. Stites
25. Some Common Korean Foods.  
(Trans. Korean Branch Royal Asiatic Soc., Vol. XIV, Vo. 1.) J.D. Van Buskirk
26. The Composition of Typical Korean Diets.  
(Japan Med. World, Vol. IV, No. 6, June 1924.) J.D. Van Buskirk
27. Examination of Certain Proposed Tests for Fatigue.  
(Amer. Journ. Physiology, Vol. LXIII, Na. 2, Jan. 1923.) F. S. Lee  
J.D. Van Buskirk
28. Routine Examination of Urine in Korean Hospital Cases.  
(China Med. Journ., Vol. XXXVIII, No. 3, p. 184, March 1924.) J.D. Van Buskirk  
R. G. Mills
29. Results of Examination of Intestinal Protozoa and Helminths in Korea.  
(Journ. of Chosen Med. Assoc., No. 66, Aug. 1925.) P. D. Choy
30. Liver Abscess: Report of One Hundred Operations.  
(Surg. Gyn. & Obst., Vol. XXXVI, p. 336, March 1923.) A. I. Ludlow
31. Surgical Case Reports—
  12. Spindle-cell Sarcoma of the Neck.
  13. Congenital Papilloma of the Buttock.
  - (China Med. Journ., Vol. XXXVII, No. 2, p. 145, Feb. 1923.) A. I. Ludlow

32. Preliminary Report on Latent Amebiasis in Koreans and the Result of Yatren Treatment.  
(Trans. 6th. Congress of Far Eastern Assoc. of Tropical Medicine, Tokyo, 1925.) P. D. Choy
33. Liver Abscess: Report of Ten Cases Treated by Aspiration and Subcutaneous Injection of Emetine.  
(China Med. Journ., Vol. XXXVIII, No. 2, p. 93, Feb. 1924.) A. I. Ludlow
34. Surgical Case Reports—  
14. Inguinal Hernia: Ova of *Schistosoma Japonicum* in Hernial Sac.  
(China Med. Journ., Vol. XXXVIII, No. 10, p. 829, Feb. 1924.) A. I. Ludlow
35. On the Occurrence of Sugar in the Urine of Korean Hospital Patients.  
(China Med. Journ., Vol. XXXIX, No. 1, p. 47, Jan. 1925.) J.D. Van Buskirk
36. Inguinal Hernia: Report of 100 Operations on Korean Patients.  
(China Med. Journ., Vol. XXXIX, No. 3, p. 204, March 1925.) A. I. Ludlow
37. Carnicinoma of the Male Breast: Report of a Case in a Korean.  
(China Med. Journ., Vol. XXXIX, No. 12, p. 1076, Dec. 1925.) A. I. Ludlow
38. Thrombo-angiitis Obliterans: A Review and Report of the Disease in Koreans.  
(China Med. Journ., Vol. XLV, No. 6, p. 487, June 1931.) A. I. Ludlow
39. A Preliminary Report of the Incidence of Human Intestinal Protozoan Infection in Seoul, Korea.  
(China Med. Journ., Vol. XXXIX, No. 10, p. 975, Nov. 1925.) J. F. Kessel
40. Amebic Liver Abscess. (Thesis presented for the degree of A.M. Western Reserve University, June 1926. University conferred the degree of A.M. in Med. (Hon.). Read at the China Med. Assoc. Conference, Peking, Sept. 1926. Published in the China-Med. Journ., Vol. XL, No. 12, p. 1165, Dec. 1926. Mayo Foundation Lecture. Jan. 17, 1928.) A. I. Ludlow

41. Ova of *Paragonimus Westermanii* Encysted in the Abdominal Wall.  
(China Med. Journ., Vol. XL, No. 4, p. 326, April. 1926.) P. D. Choy  
A. I. Ludlow
42. Surgical Aspects of *Ascaris Lumbricoides*.  
(China Med. Journ., Vol. XLI, No. 2, p. 134, Feb. 1927.) A. I. Ludlow
43. Salivary Urea Inex.  
(China Med. Journ., Vol. XLI, No. 7, July 1927.) J.D. Van Buskirk
44. Public Health Problems in Korea, as Shown by a Study of Child Mortality.  
(China Med. Journ., Vol. XLI, No. 3, March 1927.) J.D. Van Buskirk
45. Cholelithiasis in the Korean.  
(Mayo Foundation Lecture, Jan. 24, 1928.)  
(Surg. Gyn. & Obst., Vol. L, No. 1, p. 51, Jan. 1930.) A. I. Ludlow
46. Parasites: Chiefly Metazoan, Observed in 7,000 Specimens of Feces from Koreans; with an Attempt to Interpret the Findings.  
(Amer. Journ. of Hygiene, Vol. VII, No. 3, May 1927.) J.D. Van Buskirk
47. Filariasis in Korea.  
(China Med. Journ., Vol. XLIII, No. 1, p. 16, Jan. 1929.) H. Y. Oh
48. *Paragonimus Westermanii* in Inguinal Hernia Sac.  
(China Med. Journ., Vol. XLV, No. 6, p. 556, June 1931.) P. D. Choy  
A. I. Ludlow
49. Tuberculous Joint Disease in the Korean.  
(China Med. Journ., Vol. XLIV, No. 1, p. 19, Jan. 1930.) Y. S. Lee
50. Carcinoma in the Korean.  
(China Med. Journ., Vol. XLIII, No. 5, p. 465, May 1929.) A. I. Ludlow
51. An Hypothesis Concerning the Relationship between Body and Mind.  
(The Australian Journ. of Psychology and Philosophy, Sept. and Dec. 1928.) C. I. McLaren
52. Diet and Dental Condition Survey.  
(Unpublished) J. L. Boots
53. Scarlet Fever.  
(China Med. Journ. Vol. XLIII, No. 1929.) Byron Koo

54. Amebic Liver Abscess.  
(Pan Pacific Surgical Congress.)  
(Proceedings of the Pan-Pacific Surg. Congress,  
Honolulu, August 14-24, 1929.) Y. S. Lee
55. The First Menses of Korean Girl Students.  
(China Med. Journ., Vol. XLIV, No. 1, p. 31,  
Jan. 1930.) Y. C. Lee
56. The Effects of Hormones on the Sedimentation  
Velocity of Red Blood Cells.  
(China Med. Journ., Vol. XLIV, No. 2, p. 141,  
Feb. 1930.) I. S. Yun
57. Die Labilitätsänderungen der Versuchstieren durch  
Verschiedenen Fütterungen.  
(Biochemische Zeitschr., Vol. 217, 4-6, 1930.) S. Lee
58. Reticulo-Endothelial System and Anaphylaxis.  
(Trans. Japan Pathol. Soc., Vol. XX, p. 584, 1930.) I. S. Yun
59. The Effect of Hormones on the Blood Picture.  
(Trans. Jap. Path. Soc., Vol. 22, 1932. Y. C. Lee
60. The Vital Capacity of Korean Students. 1st. Report.  
(Journ. Chosen Med. Assoc., Vol. XX, No. 5, p. 666,  
May 1930.) M. S. Kim  
Y. C. Lee
- (a) The Vital Capacity of Korean Students. 2nd. Report.  
(Jour. Chosen Med. Assoc., Vol. XXII, No. 4,  
April 1932.) Y. C. Lee
- (b) The Vital Capacity of Korean Students. 3rd. Report.  
(Jour. Chosen Med. Assoc., Vol. XXII, No. 4,  
April 1932.) Y. C. Lee
61. The Effect of Hormones on Strychnine Intoxication.  
(Japan. Z. Mikrobiol. Path., Bd. 24, 1930.) S. E. Rhee
62. The Effect of Hormones on the Sedimentation  
Velocity of Red Blood Cells after Blockade.  
(Journ. Chosen Med. Assoc., Vol. 20, 11, 1929.) C. Y. Choi
63. A Study of the Sex Life of Korean Women. R. G. Mills  
(To be published.) J.D. Van Buskirk
64. A Case of Left Accessory Renal Artery in a Korean.  
(Journ. Chosen Med. Assoc., Vol. XX, p. 119, Feb.  
1930.) T. S. Paik
65. Sodium Amytal as a General Anesthetic.  
(China Med. Journ., Vol. XLIV, No. 4, p. 348,  
April 1930.) A. I. Ludlow

66. Benign Giant Cell Tumor of the Ulna.  
(China Med. Journ., Vol. XLV, No. 7, p. 653,  
July 1931.) A. I. Ludlow
67. Studies on the Influence of Anaphylaxis of Blood  
Sugar Variation.  
(Trans. of Jap. Path. Soc., 1930.) I. S. Yun  
(Jap. Zeitschr. Path. Band., 24 Heft 8, July 1930.) Y. C. Lee
68. Laboratory Work in Korean Mission Hospitals.  
(China Med. Journ., Vol. XLIV, No. 7, p. 675,  
July 1930.) N. Found
69. Treatment of Pulmonary Tuberculosis.  
(China Med. Journ., Vol. XLIV, No. 7, p. 651,  
July 1930.) S. H. Martin
70. Supra-renal Disease in a Korean Causing Pseudo-  
hermaphroditis: Hypertension and Hypertrichosis.  
(China Med. Journ., Vol. XLV, No. 3, p. 244,  
March 1931.) S. H. Martin
71. The Relation of Pernicious Anemia to Sprue.  
(China Med. Journ., Vol. XLIII, No. 1, p. 129, Jan.  
1929.) S. H. Martin
72. Studies on the Carbohydrate Metabolism in  
Malignant Tumors.  
(Trans. of Jap. Path. Soc., Vol. XX, p. 734, 1930.) I. S. Yun  
Y. C. Lee
73. Studies on the Transplantation of Human Tumor  
into Animals.  
(Journ. Chosen Med. Assoc., Vol. XXI, No. 1, p. 37, 1931.) I. S. Yun  
Y. C. Lee
74. Racial Characters of Os Coxae in the Korean.  
(Korean Med. Journ., Vol. 1, No. 1, 1930.) T. S. Paik
75. Influence of Fatigue upon the Growth of Rat  
Tumors.  
(China Med. Journ., Vol. XLV, No. 3, p. 247,  
March 1931.) I. S. Yun
76. The Production of Agglutinins for Typhoid Fever  
Bacilli by intrahepatic Vaccination.  
(China Med. Journ., Vol. XLV, No. 2, p. 133,  
Feb. 1931.) I. S. Yun
77. Studies on the Mitochondria of Testicular Inter-  
stitial Cells.  
(Trans. Jap. Path. Soc., Vol. XXI, p. 343, 1932.) I. S. Yun

78. Studies on the Relationship between Anaphylaxis and Calcium Metabolism.  
(Trans. Jap. Path. Soc., Vol. XXI, p. 343, 1931.) I. S. Yun
79. Pneumothorax Treatment of Tuberculosis in Koreans.  
(Korean Med. Journ., Vol. II, 1932.) S. H. Martin
80. Clinical Diphtheria.  
(China Med. Journ., Vol. XLIV, No. 9, p. 914, Sept. 1930.) B. Koo  
H. Pai
81. A Simple Medium for the Isolation in Feces of B. Typhoid, Para-typhoid and B. Dysentery.  
(Journ. of Chosen Med. Assoc., Vol. XXI, No. 9, Sept. 1931.) Y. T. Choi
82. A Case of Pancreatic Stone.  
(China Med. Journ., Vol. XLV, No. 1, p. 53, 1931.) P. D. Choy
83. On the Relationship between the Parathyroid Hormone and the Growth of Rat Carcinoma.  
(Amer. Journ. of Cancer, Vol. XV, No. 4, Oct. 1931.) T. S. Paik
84. Morphological Studies in the Endocrine Glands by Parathyroid.  
(Journ. Chosen Med. Assoc., Vol. XXI, 4, 1931.) T. S. Paik
85. Influence of Calcium on Transplanted Rat Sarcoma.  
(Journ. Chosen Med. Assoc., Vol. XXI, p. 831, June 1931.) T. S. Paik
86. Report of the Department of Neurology and Psychiatry. 1930-1931.  
(China Med. Journ., Vol. XLV, p. 1058, Nov. 1931.) C. I. McLaren
87. Adrenal Cortex and Anaphylaxis.  
(Korean Med. Journ., Vol. II, No. 4, Dec. 1932.) I. S. Yun
88. The Local Anaphylactic Reaction of Liver Tissue.  
(Trans. Jap. Path. Soc., Vol. XX, p. 587, 1930.) C. Y. Choi
89. Amount of Calcium Excreted in the Urine of Healthy Koreans.  
(Journ. Chosen Med. Assoc., Vol. XXII, p. 538, June 1932.) H. Y. Oh
90. On the Relationship between the Growth of Rat Sarcoma and the Parotid Gland.  
(Trans. Jap. Path. Soc., Vol. XXI, p. 738, 1931.) I. S. Yun  
C. H. Kim

91. The Effect of Calcium Chloride, Vigantol and Parathormone on the Calcium Content of Blood Serum in Transplantable Sarcoma bearing Rabbits. S. E. Rhee  
(Trans. Jap. Path. Soc., Vol. XXII, p. 297, 1932.) C. H. Kim
92. The Histological studies of Endocrine Organs after the injection of Garlic Extract (Rocamboles). I. S. Yun  
(Journ. S. U. M. C., Vol. I, 1933.) S. E. Rhee
93. The Histological Changes of Internal Organs by Red Pepper Extract.  
(Unpublished.) C. Y. Choi
94. Case Report of Pellagra in Koreans.  
(Unpublished.) C. Y. Choi
95. The Production of Agglutinins for Typhoid Fever Bacilli by the Racamboles Extract.  
(Unpublished.) S. E. Rhee
96. The Influence of Hormones on the Growth of Bean Malt.  
(Unpublished.) I. S. Yun
97. The Age of Onset of Menstruation in Koreans.  
(Korean Med. Journ., Vol. 2, p. 46, April, 1932.) T. W. Yun
98. Blue Birthmarks in Korean Infants.  
(China Med. Journ., Vol. XLIV, No. 10, p. 1050, Oct. 1930.) Byron Koo
99. A Case of Congenital Absence of Both Arms.  
(Journ. Chosen Med. Assoc., Vol. XXII, p. 589, June 1932.) Byron Koo  
H. Pai
100. Morbidity among Koreans living in the Seoul Area.  
(Journ. S. U. M. C., Vol. I, 1933.) N. Found
