

Erratum: Correction of inverted Figures in Table 1.

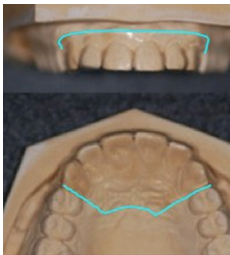

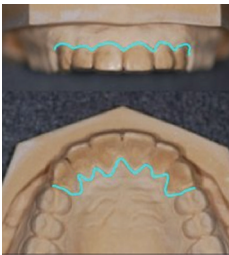

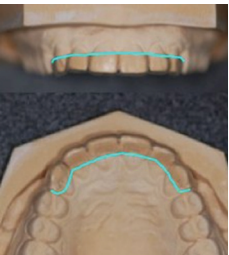

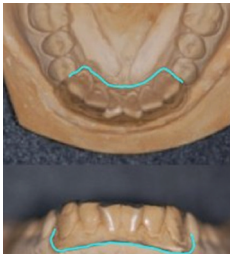

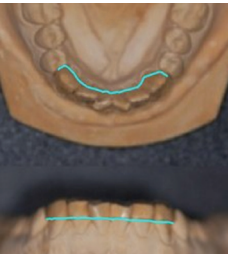

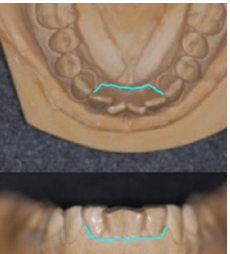

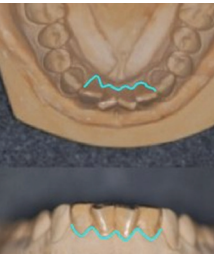

An embouchure aid for saxophone player

Ho-Jin Moon

Restor Dent Endod 2012;37:54-60. Doi: http://dx.doi.org/10.5395/rde.2012.37.1.54

The figures in Table 1 were inverted upside down in the published article. The following table should replace Table 1 in page 56.

Table 1. The pilot design of embouchure aid

	Design 1	Design 2	Design 3	Design 4	Design 5
Extension	Canine to canine	Canine to canine	Canine to canine	Incisor to incisor	Incisor to incisor
Margin					
Retention	+++	++	-	+	--
Disturbance	++	+	+	+	++
Margin					
Retention	+++	+	+	+	--
Disturbance	++	+	+	+	++

Retention (+++, too much ; ++, tight; +, moderate; -, loose; --, too loose)
Disturbance (+++, too disturbing; ++, disturbing; +, comfort)
