1. The equations on page 162 should be corrected as follows.

$$R_1 = C_x^{-1/2} (Y - F_1) = \text{CWRES} \quad \text{eq.13} \quad \rightarrow \quad R_1 = C_x^{-1/2} (Y - E(Y)) = \text{CWRES} \quad \text{eq.13}$$

$$R_1 = C_1^{-1/2} (Y - F_1) = \text{CWRES} \quad \text{eq.14} \quad \rightarrow \quad R_1 = C_1^{-1/2} (Y - E(Y)) = \text{CWRES} \quad \text{eq.14}$$
