► This corrects the article “Multimodality Imaging for the Assessment of Severe Aortic Stenosis” in volume 27 on page 235.

In the 2019 edition of Journal of Cardiovascular Imaging, we published an article entitled “Multimodality Imaging for the Assessment of Severe Aortic Stenosis” 2019 Oct;27(4):235–246, <https://doi.org/10.4250/jcvi.2019.27.e48>. There was an error in Figure 3. “During dobutamine infusion” should be corrected to “During adenosine-infusion”. The authors apologize for any inconvenience that this may have caused.

Revised Figure 3.
