First of all, We would like to acknowledge and express our deep appreciation for the Associate Editors and the Editorial Board for their contribution during 2017. We would also like to thank the referees below for their great effort during the review process. With the help and support by all these contributors in *Restorative Dentistry & Endodontics (RDE)*, we were able to publish many valuable scientific papers.

In the end of 2017, *RDE* selected recipients of Achievement Award and Certificate of Appreciation among the Editorial board members and reviewers to express our gratitude for their contribution.

We are really happy and grateful to acknowledge the recipients of the awards:

For the Achievement Award, Prof. Yoon Lee and Dr. Ho-Young Byun who are both English Editors were selected due to their dedication of English editing of all the accepted manuscripts.

For the Certificate of Appreciation, 5 reviewers were selected by the votes of the Associate Editors. Prof. Michael F. Burrow, Prof. Soran Kwon, Prof. Qiang Zhu, Prof. Minseock Seo, and Prof. Juhea Chang were awarded.

We would also like to thank many reviewers who did not receive the awards this time.

We ask for continued interest and support for *RDE* in 2018.

Happy New Year!

Sincerely,

Byeong-Hoon Cho, DDS, PhD
Su-Jung Shin, DDS, PhD
