

A. *TYMS* Expression In Skin - Not Sun Exposed (Suprapubic)

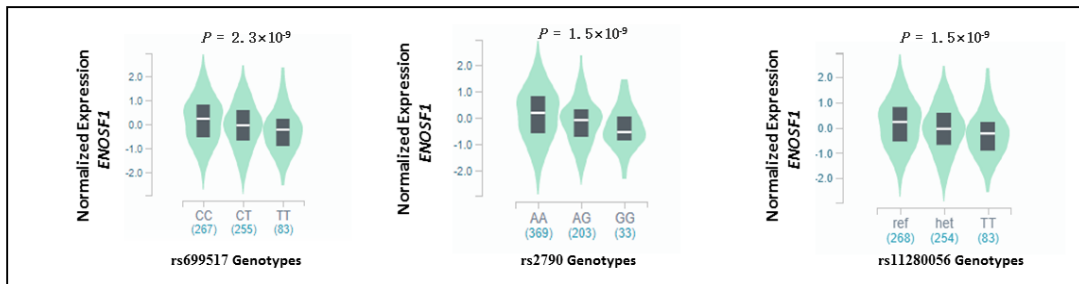

B. *TYMS* Expression In Skin - Sun Exposed (Lower leg)

C. *ENOSF1* Expression In Skin - Not Sun Exposed (Suprapubic)

D. *ENOSF1* Expression In Skin - Sun Exposed (Lower leg)

S8 Fig. Expression quantitative trait locus (eQTL) analysis of rs699517, rs2790 and rs11280056 (6bp ins-del). The ref of rs11280056 is the insertion of 6 bp. (A) Association of these variants with *TYMS* expression in Skin-Not Sun Exposed (Suprapubic) tissues. (B) Association of these variants with *TYMS* expression in Skin-Sun Exposed (Lower leg) tissues. (C) Association of these variants with *ENOSF1* expression in Skin-Not Sun Exposed (Suprapubic) tissues. (D) Association of these variants with *ENOSF1* expression in Skin-Sun Exposed (Lower leg) tissues.
