

S1 Table. SECTION 3 Special Cases concerning Pseudonymized Information Article 28-2

Article 28-2 (Processing of Pseudonymized Information)

(1) A personal information controller may process pseudonymized information without the consent of data subjects for statistical purposes, scientific research purposes, and archiving purposes in the public interest, etc.

(2) A personal information controller shall not include information that may be used to uniquely identify an individual when providing pseudonymized information to a third party according to paragraph (1).
