

Supplementary Figure 1. (A) Funnel plot of 5-year local progression-free survival from Egger’s test. (B) Funnel plot of 3-year local progression-free survival from Egger’s test. (C) Funnel plot of 5-year local progression-free survival from Egger’s test. (D) Funnel plot of 1-year progression-free survival from Egger’s test. (E) Funnel plot of 3-year progression-free survival from Egger’s test. (F) Funnel plot of 5-year progression-free survival from Egger’s test. (G) Funnel plot of 1-year overall survival from Egger’s test. (H) Funnel plot of 3-year overall survival from Egger’s test. (I) Funnel plot of 3-year overall survival from Egger’s test.

Supplementary Figure 1. Continued.
