

**Supplementary Fig. S15.** Pooled odd ratio of stage I-II in *POLE* mutant EC vs. stage I-II in non-*POLE* mutant EC analysis [2,3,5,6,8,9,13,16]. *POLE*, DNA polymerase epsilon; EC, endometrial carcinoma.

**Supplementary Fig. S16.** Pooled odd ratio of stage III-IV in *POLE* mutant EC vs. stage III-IV in non-*POLE* mutant EC analysis [2,3,5,6,8,13,16]. *POLE*, DNA polymerase epsilon; EC, endometrial carcinoma.
